

CVRA would like to thank you for making plans to attend the 2016 Stock, Mod and J Nationals.

We are working hard to make this event a success for all participants.

Please read the directions for pit entry on Sunday at 10:00 AM as well as parking rules during race week below.

- Pit space is limited and we will do our best to accommodate all requests. Please have an open mind and be considerate to the race committee and your fellow racers.
- There will be NO RV parking in the pits after trailers are placed. Please arrange alternate transportation during race week.
- Parking in the pits will be first come first served each day. The race committee may request movement of vehicles at any time.
- There is absolutely NO alcohol in the pits either. This is a State park and they are very strict in their enforcement.
- There will be a \$10.00 per trailer fee that can be paid on our website if you choose to pre-register. If not it will be collected at registration.

If you have any additional questions you may email us at [hinton2016@gmail.com](mailto:hinton2016@gmail.com)

We wish you luck at this years nationals!
